

CHECK CONDITION OF SHIPMENT

Upon receipt of this kit, check the condition of the packaging. Damage to the package should be noted on the carrier's freight receipt. Any damage claims as a result of shipping must be handled through the shipper. Travis Industries will provide assistance in resolving shipping claims or replacing items not included in the package. Please report any missing items immediately.

COMPATIBILITY

ADJUSTS FROM 4 5/8" TO 7 1/2" NOTE: shorter distances may be obtained by cutting the legs with a hack saw

- All Travis Industries' Inserts

PACKING LIST

- Two telescoping legs (4 pieces total)
- Instruction Sheet

INSTALLATION INSTRUCTIONS

The telescoping legs are designed to support the front end of fireplace inserts. It is adjustable from 4 5/8" to 7 1/2". It can be cut shorter by using a hacksaw (see the illustration below for details).

1. Place the end caps into each lower segment of the telescoping legs (see the illustration below).
2. Screw the telescoping legs together so the leg can be screwed into the bottom of the insert. Hand tighten the telescoping leg into position.
3. While grasping the upper segment of the telescoping leg, unscrew the bottom segment until it reaches the floor and supports the insert.
